

# RBL Case Study

## Revere Elementary

### RBL Process

*\*Revere Elementary lunch periods are divided into 2 time slots divided by grade levels: 1st-3rd grade and 4th-6th grade.*

**38%** of teachers reported an improvement in student behavior.

**58%** of teachers reported a decrease in discipline referrals.

**54%** of teachers reported an improvement in student focus.

**83%** of teachers claimed that transitioning into RBL was not difficult.

**63%** of teachers responded that they preferred the RBL schedule over the traditional eat before play schedule.

### Key Findings
